

Your Love Will Never Change (Key of D)

Intro

G F#m Em F#m A

Verse 1

I know nothing Could ever come close
To Your goodness and peace So tender and sweet
When I stumble Of my own volition
It leaves me wanting It leads me back to Your door

Chorus 1

Any-time any place any pain
Your love will never change
Through the highs Through the lows
Your love will never change

Chorus 2

Never quits never fails
Your love will never change
In my doubts in my shame
Your love will never change

Turnaround

(change)
Your love will never change

Verse 2

Change my vision I want to see You
Give me meaning and direction Let me live in
Your perfection
Cause there's no one That I could run to
With chaos overwhelming You're the one I turn to

Chorus 1

Chorus 2

G A

Bridge 1

Where could I hide from Your love
Nowhere nowhere
Could I ever fall from Your grace
No way no way

Bridge 2

Who else could do what You do
No one no one
Where could I hide
Where could I go
